

Dazzling STYLE

1. *Are you confused as to what styles or colors look good on you?*
2. *Is your closet filled with clothes you have not worn in a while?*
3. *Do you want to start wearing less black and more accessories but are too afraid to try them?*
4. *Does your closet contain items that no longer represent who you are?*

If you have answered yes to any of these questions, I would like to be your go to personal stylist to take your style to the next level. Please use the contact form below.

— **Tanya Greene**, Founder of Dazzling In Style
Wardrobe Consultant and Fashion and Lifestyle Blogger

The Style Makeover is designed to help create a wardrobe that is perfect for all of the areas in your life. We work to make you feel great and look great in everything that you do! I will do all the legwork to pull clothes from multiple stores and bring them to your home. You can try items on in the comfort of your own closet and allow me to help you make the best decisions and integrate your new purchases into your existing wardrobe

*What does a typical style makeover, consultation, and shopping trip look like with **Dazzling In Style**?*

FIRST, Initial Consultation: I will meet with you to get to know your style needs in order to identify the best styles, colors, and designs that work for you.

SECOND, Wardrobe Examination: I take stock of your wardrobe for the current season, and we will decide what to keep, what may need alterations, what to donate, and most importantly, what to acquire.

THIRD, After we've sorted through your wardrobe, I will then recommend or arrange a way to donate your items through a reputable clothes donating service, if desired.

Time and costs can be negotiated during contract closing.

Thank you so much for your patronage.
